

## **F-1 Visa Students Admission Deferral Policy**

Applicants or admitted students to De Anza College may request to defer their application up to **one calendar year** from their original application term (up to three deferral requests within one year). After this period, students still wishing to defer will be required to submit a new application and will be subject to the \$75 application fee again.

Note that this policy **does not** apply for conditionally admitted students. Students holding conditional admission may be deferred beyond one calendar year if necessary to complete their English language studies and receive full admission.
