LET'S GO!

How This Class Works

This is a 12-week hybrid course. Our first in-person meeting is Monday, January 6.

You will learn in a community with your peers. *This is not a self-paced course.*

This is a hybrid class that meets in-person on Mondays and online via Canvas. In-person meetings are required.

 If you are an early bird: our Canvas site will be available beginning Sunday, January 5.

By Sunday of Week 1, you will be expected to log-in to our course in Canvas and complete the Orientation Module.

On **Monday** morning of each week, you will receive a **weekly announcement** with updates, so please check your email or click "Announcements" in Canvas.

Due dates are always on **Wednesdays and Sundays at 11:59pm.**

Each module contains readings and videos, a quiz, collaborative activities including discussions, and essay assignments.
